

# Public Notice

The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances by restoring contaminated resources, enforcing hazardous waste laws, reducing hazardous waste generation, and encouraging the manufacture of chemically safer products.

## YOU MAY REVIEW AND COMMENT ON THE DRAFT POST-CLOSURE PERMIT FOR THE FORMER BUILDING 829 COMPLEX AT SITE 300, near Tracy, CA 95377

### **PUBLIC COMMENT PERIOD: March 1 to April 18, 2017**

The Department of Toxic Substances Control (DTSC) Permitting Division in Berkeley, California invites you to review and comment on the draft Hazardous Waste Post-Closure Permit (Draft Permit) for Lawrence Livermore National Laboratory, P.O. Box 808, L-293, Livermore, CA 94551-0808 (LLNL) for the Former Building 829 Complex at the Site 300 facility (Site 300). Site 300 is located off Corral Hollow Road in the eastern Altamont Hills near Tracy, CA in San Joaquin County. The Draft Permit, if approved, would allow Site 300 to continue providing post-closure care at a closed explosive open burn treatment facility (former B-829 Complex) located at Site 300. The post-closure care activities consist primarily of inspecting the closure cover and conducting sampling and analysis of surface water and groundwater as specified in LLNL's permit application.

**HOW DO I PARTICIPATE?** DTSC's Office of Permitting – Berkeley (address below) is processing the permit application. You may submit comments in writing during the public comment period, which begins March 1, 2017 and ends April 18, 2017. Written comments must be postmarked or emailed by April 18, 2017 and sent to: Jonathan Largent, Project Manager, DTSC Office of Permitting, 700 Heinz Avenue, Suite 300, Berkeley, California 94710, or via electronic mail at [Jonathan.Largent@dtsc.ca.gov](mailto:Jonathan.Largent@dtsc.ca.gov).

DTSC will hold a **Public Hearing**, where any person may submit oral or written comments and data concerning the Draft Permit, on **Thursday, April 6, 2017 at 6:00 p.m. at the Monticello Elementary School, Multipurpose Room** located at 1001 Cambridge Place, Tracy, CA 95377, (209) 833-9300.

After the public comment period concludes, DTSC will consider all comments prior to making a permit decision and issue a response to comments document, which will be made available to commenters and other members of the public. DTSC will also notify the applicant and each person who has submitted comments of the final permit decision. This notice will reference the procedures for appealing the final permit decision.

**California Environmental Quality Act (CEQA):** Under the California Environmental Quality Act (CEQA), DTSC must evaluate whether the proposed actions may have significant adverse impacts on human health and the environment. DTSC prepared an Environmental Document Analysis using a prior Negative Declaration issued for the project. Based on this analysis, DTSC found that the previously issued Negative Declaration is appropriate for the project. If the permit is approved, DTSC will file a Notice of Determination with the Governor's Office of Planning and Research State

**NOTICE TO HEARING IMPAIRED:** TTY users may use the California Relay Service @ 711 or 1-800-855-7100. You may also contact the Public Participation Specialist listed at the end of this update.

Clearinghouse.
