

## NOTICE OF PUBLIC COMMENT PERIOD

### REMOVAL ACTION WORKPLAN PROPOSED WOODCREST SCHOOLS SITE Ontario, California

**PUBLIC COMMENT PERIOD:** June 26 to July 26, 2002

The California Department of Toxic Substances Control (DTSC) invites public comment on the Removal Action Workplan (RAW) for the Chino Valley Unified School District's Woodcrest Schools Site in Ontario. During the Site investigation methane was detected in soil gas samples at concentrations that may pose a health risk at the Site. This work plan addresses the methane management system to be installed during the construction of the new Woodcrest Elementary School and the expansion of the Woodcrest Junior High School. The Site is located at 2725 South Campus Avenue (the existing Woodcrest Junior High School) in Ontario. **Your participation is encouraged.** Comments concerning the RAW may be submitted in writing to Ms. Jennifer Jones, Project Manager, at the Department of Toxic Substances Control at the address listed below, and **must be postmarked by July 26, 2002.** **A public open house to discuss the RAW will be held on July 8, 2002, at 5:00 p.m. in the Board Room at Chino Valley Unified School District (CVUSD), located at 5130 Riverside Drive, Chino, CA 91007.** A copy of the RAW and other project documents are available at the South Ontario Branch Library, 2403 South Vineyard Avenue #D, Ontario, CA and at Chino Valley Unified School District, Facilities Planning Department. All Site documents and the full Administrative Record pertaining to this project are available for review during office hours at the DTSC Regional Records Office, 1011 N. Grandview Avenue, Glendale, CA 91201. Contact: Jone Barrio at (818) 551-2886.

If you have any questions or wish to discuss the project, please contact Maya Akula, DTSC Public Participation Specialist at (818) 551-2846 or Sandra Chen, CVUSD Facilities Planner at (909) 628-1201.
