Subject: IRP Sept 20 minutes incorrect, do not approve
Date: Wednesday, November 16, 2016 10:36:05 AM

I just read the Sept. 20 minutes from the DTSC meeting at Chatsworth. They are incorrect and should not be approve.

I did NOT say that, "DTSC needed to uphold the cleanup agreements or replace them,"

I also did not say that community disagreements were due to "politics and incompetence."

I have a recording of the meeting and can demonstrate this if necessary, and can supply you with what I actually said regarding each of those matters.

Please strike these sentence, immediately, or do not approve.
