SUBJECT: FINAL POST-CLOSURE AND OPERATING PERMIT DECISION FOR THE CLOSED CLASS I LANDFILL UNIT AND THE LEACHATE TREATMENT PLANT AT THE BKK CORPORATION FACILITY, 2210 SOUTH AZUSA AVENUE, WEST COVINA, CALIFORNIA, EPA ID NO. CAD 067 786 749

The California Environmental Protection Agency, Department of Toxic Substances Control (DTSC) has made its final decision to issue to the BKK Corporation (BKK) a combined post-closure permit for the BKK Class I Landfill and an operating permit for the leachate treatment plant (the Permit), for the BKK facility located at 2210 South Azusa Avenue, in West Covina, California. The final Permit incorporates changes to the draft Permit that was circulated for public comment. Changes from the draft to the final Permit resulted primarily from comments received on the draft Permit and internal review by DTSC staff.

A final Permit package containing all relevant documents will be available for review by July 8, 2004 at the information repositories located at:

West Covina Public Library
1601 West Covina Parkway
West Covina, California 91790

Walnut Public Library
21155 La Puente Road
Walnut, California 91789

The full administrative record for this facility will also be available for review at:

Department of Toxic Substances Control
1011 North Grandview Avenue
Glendale, California 91201

The final Permit is issued by DTSC in accordance with the California Code of Regulations, title 22, section 66271.14 and becomes effective on August 10, 2004 unless a petition for review is filed pursuant to title 22, California Code of Regulations, section 66271.18.

The final Permit may be appealed in accordance with the California Code of Regulations, title 22, section 66271.18. Any person who filed comments on the draft Permit or who participated in the public hearing on the draft Permit may petition the

DTSC to review any condition of the final Permit decision. Any person who failed to file comments or failed to participate in the public hearing on the draft Permit may petition for administrative review only on the extent of the changes from the draft Permit to the final Permit.

The time period within which a person may request review begins on July 9, 2004 and ends on August 9, 2004. The petition must be received by 5:00 pm on August 9, 2004. The petition must be sent to:

Watson Gin, P.E.
Deputy Director
Hazardous Waste Management Program
California Department of Toxic Substances Control
P.O. Box 806
Sacramento, California 95812-0806

With a complete copy to:

Mr. Jose Kou, P.E., Chief
Southern California Permitting and Corrective Action Branch
Hazardous Waste Management Program
Department of Toxic Substances Control
1011 North Grandview Ave.
Glendale, California 91201

The petition shall include a statement of the reasons supporting the request for review including a demonstration that any issues being raised were raised during the public comment period to the extent required by the California Code of Regulations, title 22 and when appropriate, a showing that the condition in question is based on:

1. A finding of fact or conclusion of law which is clearly erroneous, or
2. An exercise of discretion or an important policy consideration which DTSC should review.

Please do not hesitate to call Mr. Philip Chandler, Unit Chief at (818) 551-2921 or Mr. Richard Allen, Hazardous Substances Engineer at (818) 551-2924 for additional information.

Sincerely,
