

DEPARTMENT OF TOXIC SUBSTANCES CONTROL

NOTICE OF CONSENT DECREE
BKK LANDFILLS FACILITY
WEST COVINA, CALIFORNIA

EXTENSION OF PUBLIC COMMENT PERIOD TO DECEMBER 30, 2005

The Department of Toxic Substances Control ("DTSC"), pursuant to the authority vested in DTSC under Section 107 of CERCLA, 42 U.S.C. § 9607 and California Health and Safety Code section 25358.3(e), proposes to finalize a Consent Decree regarding the BKK Landfills Facility located at 2210 South Azusa Avenue, West Covina, California.

On October 31, 2005, DTSC filed a complaint in United States District Court, Central District of California, Docket No. CV05-7746 CAS against a number of defendants under the provisions of the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601 *et seq.* and the California Health and Safety Code section 25358.3 (e). The Consent Decree is intended to resolve the liability of the defendants for: certain DTSC past and future response costs; and for oversight costs that DTSC will incur during the time that the defendants' conduct site activities. The Consent Decree obligates the defendants to conduct certain work at the BKK Landfills Facility for slightly less than two (2) years. The Consent Decree provides covenants not to sue and contribution protection for these costs and work, and provides for standstills and tolling of enforcement activity and litigation among the parties.

DTSC has extended the public comment period on the Consent Decree by an additional ten (10) days from December 20, 2005 to December 30, 2005. The public comment period began November 12, 2005, and now ends on December 30, 2005. Written comments on the proposed Consent Decree must be submitted on or before 5:00 p.m. December 30, 2005. This is the second extension of the public comment period. On December 13, 2005, DTSC extended the end of the public comment period from December 13, 2005 to December 20, 2005. DTSC may modify or withdraw its consent to the Consent Decree if such comments disclose facts or considerations that indicate the proposed Consent Decree is inappropriate, improper or inadequate.
