

Public Notice NOTICE OF PUBLIC COMMENT PERIOD

**Draft Permit for General Environmental Management
of Rancho Cordova (GEM)**
11855 White Rock Road
Rancho Cordova, [California 95827](#)

PUBLIC COMMENT PERIOD: November 17, 2006 to January 8, 2007

The Department of Toxic Substances Control (DTSC) is receiving public comments on the Draft Permit for General Environmental Management of Rancho Cordova (GEM). If approved, this permit would allow GEM to continue storing hazardous waste received from various generators. DTSC has also determined that the Draft Permit does not significantly affect the environment. Therefore, DTSC prepared a CEQA Notice of Exemption. GEM is located at 11855 White Rock Road, about 2 miles east of Sunrise Boulevard, just north of the old Aerojet property across White Rock Road.

The public comment period for the Draft Permit, for General Environmental Management of Rancho Cordova begins Friday, November 17, 2006 and ends on Friday, January 8, 2007. Written comments must be postmarked and e-mailed comments must be sent by midnight of the close of the public comment period. Comments can be sent to: Ken Payne, Project Manager, DTSC, Sacramento Office, 8800 Cal Center Drive, Sacramento, CA 95628
kpayne@dtsc.ca.gov

Before making a final determination on the Draft Permit, DTSC will review and respond to all comments in writing in the Response to Comments. Those who make comments, and those who request a copy, will receive a copy of the Response to Comments. A copy also will be placed in the information repositories listed in this fact sheet. At this time, DTSC has not scheduled a public hearing. However you may request a public hearing by sending such a request during the public comment period. Your request should state your reasons for holding a public hearing.
