

HEALTH AND SAFETY CODE - HSC

DIVISION 20. MISCELLANEOUS HEALTH AND SAFETY PROVISIONS [24000 - 26204]

(Division 20 enacted by Stats. 1939, Ch. 60.)

CHAPTER 6.5. Hazardous Waste Control [25100 - 25258.2]

(Chapter 6.5 added by Stats. 1972, Ch. 1236.)

ARTICLE 10.2.2. Mercury Thermostat Collection Act of 2008 [25214.8.10 - 25214.8.20]

(Article 10.2.2 added by Stats. 2008, Ch. 572, Sec. 2.)

25214.8.10.

This article shall be known, and may be cited, as the Mercury Thermostat Collection Act of 2008.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.11.

For purposes of this article, the following definitions shall apply:

- (a) "Manufacturer" means a business concern that owns or owned a name brand of mercury-added thermostats sold in this state before January 1, 2006.
- (b) "Mercury-added thermostat" has the same meaning as defined in paragraph (2) of subdivision (b) of Section 25214.8.1.
- (c) "Out-of-service mercury-added thermostat" means a mercury-added thermostat that is removed from a building or facility in this state and is intended to be discarded.
- (d) "Program" means a system for the collection, transportation, recycling, and disposal of out-of-service mercury-added thermostats that is financed, as well as managed or provided, by a manufacturer or collectively with other manufacturers.
- (e) "Retailer" means a person who sells thermostats of any kind directly to a consumer through a selling or distribution mechanism, including, but not limited to, a sale using catalogs or the Internet. A retailer may be a wholesaler if the person meets the definition of a wholesaler set forth in subdivision (g).
- (f) "Thermostat" means a product or device that uses a switch to sense and control room temperature through communication with heating, ventilating, or air-conditioning equipment. "Thermostat" includes a thermostat used to sense and control room temperature in residential, commercial, industrial, and other buildings, but does not include a thermostat used to sense and control temperature as part of a manufacturing process.
- (g) "Wholesaler" means a person engaged in the distribution and wholesale selling of heating, ventilation, and air-conditioning components to contractors who install heating, ventilation, and air-conditioning components, and whose total wholesale sales account for 80 percent or more of total sales. A manufacturer, as defined by this section, is not a wholesaler.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.12.

(a) (1) A manufacturer shall establish and maintain a program for out-of-service mercury-added thermostats in compliance with this article.

(2) A manufacturer may establish a collection and recycling program for out-of-service mercury-added thermostats individually or collectively with other manufacturers.

(3) A manufacturer, or a group of manufacturers operating a program collectively, may contract with a retailer for in-store or out-of-store collection of out-of-service mercury-added thermostats.

(b) (1) A person shall not sell or offer for sale in this state a thermostat that is produced by a manufacturer that is not in compliance with this article.

(2) The sales prohibition in paragraph (1) shall be effective on the 120th day after the notice described in subdivision (c) listing a manufacturer is posted on the department's Internet Web site and shall remain in effect until the manufacturer is no longer listed on the department's Internet Web site.

(c) On July 1, 2009, and on January 1 and July 1 annually thereafter, the department shall post a notice on its Internet Web site listing manufacturers that are not in compliance with this article.

(d) A wholesaler or a retailer that distributes or sells mercury-added thermostats shall monitor the department's Internet Web site to determine if the sale of a manufacturer's thermostats is in compliance with this section.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.13.

Each manufacturer shall individually, or collectively with other manufacturers, do all of the following:

(a) Collect, handle, and arrange for the appropriate management of out-of-service mercury-added thermostats in compliance with this chapter and the regulations adopted pursuant to this chapter.

(b) On and after July 1, 2009, provide collection bins for out-of-service mercury-added thermostat collection to wholesalers at a cost not to exceed twenty-five dollars (\$25).

(c) On and after July 1, 2009, make collection bins available at no cost for out-of-service mercury-added thermostats to any local governmental agency that requests a collection bin for use at household hazardous waste collection facilities or household hazardous waste events.

(d) Either arrange for pick up of the collection bins, or pay for the costs of shipping the collection bins provided pursuant to subdivisions (b) and (c) for proper handling and recycling.

(e) From July 1, 2009, to December 31, 2011, inclusive, undertake education and outreach efforts, including, but not limited to, all of the following:

(1) A public service announcement promoting the proper management of out-of-service mercury-added thermostats. Copies of the public service announcement shall be provided to the department and the California Integrated Waste Management Board for their use and promotion.

(2) The establishment of a public Internet Web site. Templates of educational materials shall be posted on the Internet Web site that are in a form and format that can be easily downloaded. A link to the Internet Web site shall be provided to the department and the California Integrated Waste Management Board.

(3) Methods used to engage other stakeholders such as waste, demolition, heating, ventilation, and air-conditioning organizations, as well as appropriate state agencies and local governments to secure support and participation to encourage the proper management of out-of-service mercury-added thermostats throughout California.

(4) Strategies to work with California utilities participating in demand response programs involving the replacement of thermostats to encourage their participation in the collection and proper management of out-of-service mercury-added thermostats. These strategies may include the inclusion of an educational insert in their customers' utility bills.

(5) Contacting wholesalers in California and encouraging their support and participation in educating their customers on the proper management of out-of-service mercury-added thermostats.

(6) Strategies used to encourage support and participation by retailers and other outlets to educate consumers on the proper management of out-of-service mercury-added thermostats.

(f) On or before July 1, 2009, develop, and update as necessary, educational and other outreach materials aimed at heating, ventilation, and air-conditioning contractors, demolition contractors, and their associations, municipal utility districts, and homeowners. Those materials shall be made available to participating retailers, all wholesalers, and household hazardous waste programs. These materials shall include, but are not limited to, one or more of the following:

(1) Signage that is prominently displayed and easily visible to the consumer and contractors.

(2) Written materials and templates of materials for reproduction by retailers and wholesalers to be provided to the consumer at the time of purchase, delivery, or both purchase and delivery of a thermostat. The materials shall include information on the prohibition of improper disposal of mercury-added thermostats, the proper management of out-of-service mercury-added thermostats, and the locations of collection opportunities.

(3) Advertising or other promotional materials, or both, that include references to the collection opportunities.

(4) Materials to be used in direct communications with the consumer and contractor at the time of purchase.

(g) Provide incentives and education to contractors, service technicians, and homeowners to encourage the return of out-of-service mercury-added thermostats to established collection locations.

(h) Encourage the purchase of programmable thermostats that comply with Part 6 (commencing with Section 100) of Title 24 of the California Building Standards Code and that qualify for the Energy Star program of the federal Environmental Protection Agency, as replacements for mercury-added thermostats.

(i) On or before April 1, 2010, and on or before April 1 annually thereafter, submit an annual report to the department covering the one-year period ending December 31st of the previous calendar year. Each report shall be posted on the manufacturer's or program's Internet Web site. The annual report shall include all of the following:

(1) The number of out-of-service mercury-added thermostats collected in California during the previous calendar year.

(2) The estimated total amount of mercury contained in the collected out-of-service mercury-added thermostats.

(3) An evaluation of the effectiveness of the program.

(4) Commencing with the report due April 1, 2013, a comparison to the performance requirements for collection established pursuant to subdivision (b) of Section 25214.8.17.

(5) An accounting of the program administrative costs, including a copy of Internal Revenue Service Form 990 for a nonprofit organization's program. For a for-profit organization's program, the manufacturer, or group of manufacturers operating a program, shall submit independently audited financial statements detailing revenues and a full accounting of administrative costs incurred.

(6) A description of the outreach strategies employed to increase participation and collection rates.

(7) Examples of outreach and educational materials used.

(8) Names and locations of all participating collection locations.

(9) The number of out-of-service mercury-added thermostats collected at each collection location.

(10) The Internet Web site address where the annual report may be viewed online.

(11) A description of how the collected out-of-service mercury-added thermostats were managed.

(12) Modifications that the manufacturer is proposing to make in its collection and recycling program.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.14.

(a) A wholesaler that has a physical location in the state shall act as a collection location for out-of-service mercury-added thermostats.

(b) A retailer or wholesaler that distributes new thermostats by mail to buyers in the state shall include with the sale of the new thermostat, an Internet Web site address and toll-free telephone number with instructions on obtaining a prepaid mail-in label that a consumer may use to send an out-of-service mercury-added thermostat to a collection location.

(c) A wholesaler shall distribute the educational and outreach materials developed pursuant to Section 25214.8.13 to its customers.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.15.

A contractor who installs heating, ventilation, and air-conditioning components and who removes a mercury-added thermostat shall handle the thermostat in accordance with the regulations adopted pursuant to this chapter, and take the out-of-service mercury-added thermostat to a location with a collection bin operating in accordance with those regulations.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.16.

A person who demolishes a building shall remove any mercury-added thermostats from the building prior to demolition in accordance with all applicable regulations adopted pursuant to this chapter, and take the out-of-service mercury-added thermostat to a location that is authorized to collect out-of-service mercury-added thermostats.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.17.

(a) The department may order a manufacturer, or a group of manufacturers operating a program, to revise its program and to undertake actions to comply with this article.

(b) On or before January 1, 2012, the department shall adopt regulations for all of the following:

(1) To develop performance requirements that specify collection rates expressed as a percentage of out-of-service mercury-added thermostats becoming waste annually.

(2) To establish a methodology for the calculation of the number of out-of-service mercury-added thermostats becoming waste annually.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.18.

On or before March 1, 2009, a manufacturer, or a group of manufacturers operating a program, shall present to the department a survey plan and methodology for a survey to provide statistically valid data on the number of mercury-added thermostats that become waste annually in California. The manufacturer or group of manufacturers shall complete the survey by December 1, 2009, and shall present all survey data to the department by December 31, 2009.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.20.

It is the intent of this article to provide for the collection and recycling of the maximum feasible number of out-of-service mercury-added thermostats.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)

25214.8.20.

It is the intent of this article to provide for the collection and recycling of the maximum feasible number of out-of-service mercury-added thermostats.

(Added by Stats. 2008, Ch. 572, Sec. 2. Effective January 1, 2009.)
