PUBLIC NOTICE

On August 7, 2018, Chemical Waste Management, Inc. – Kettleman Hills Facility (KHF) notified the California Department of Toxic Substances Control (DTSC) of its intent to modify its hazardous waste permit under Class 1 Permit Modification procedures. On September 7, 2018, DTSC informed KHF that the changes outlined in the original notice were deemed a Class 

This notice is provided to you, as an interested party identified by the DTSC, in accordance with the California Code of Regulations, Title 22, §66270.42(a)(1)(B).

The KHF is a commercial hazardous waste treatment, storage, and disposal facility. The permit will be modified to reflect changes as follows:

- Contingency Plan:
  - Removal of one name from Alternate Emergency Coordinator list.
  - Addition of direct line telephone number to the KHF Security Office.

- Post-Closure Inspection Activities, outlined in Chapter 15 of the current Part B Operation Plan:
  - Addition of annual surveying of permanent survey monuments, to be installed on final covers of closed waste management units, for monitoring horizontal settlement in annual post-closure inspection activities.
  - Replace incorrect citation “66264.228(c)(16)” to “66264.228(e)(16)”.
  - Correction of page number from “13” to “14”, which is a typographical error.

Questions and comments regarding this Public Notice may be directed to the following DTSC and KHF contact persons:
