**BACKGROUND**

The GRSP was established by AB 1879 (Feuer, Chapter 559, Statutes of 2008) to act as a resource to the DTSC and the California Environmental Policy Council. The GRSP provides scientific and technical advice to DTSC as we strive to build a meaningful, practical, and defensible Safer Consumer Products program. The GRSP also provides advice and recommendations on a variety of other scientific and technical matters related to green chemistry and chemicals policy and implementation strategies.

**MEETING PURPOSE**

The purpose of this meeting is to provide the GRSP a forum to discuss and advise DTSC on issues related to version 1.0 of the Alternatives Analysis Guide that was released on June 14, 2017.

**MEETING DETAILS**

The public is invited to attend in person and provide comments to the GRSP on the agenda items to inform their advice to DTSC. All other non-agenda related comments on the Safer Consumer Products program may be submitted directly to DTSC at [SaferConsumerProducts@dtsc.ca.gov](mailto:SaferConsumerProducts@dtsc.ca.gov). When available, meeting materials can be found at DTSC's [GRSP Meetings](#) web page. If you have any questions about the meeting or the agenda, please contact
