

Public Notice

The mission of DTSC is to protect California's people and environment from harmful effects of toxic substances through the restoration of contaminated resources, enforcement, regulation and pollution prevention.

NOTICE OF PUBLIC COMMENT PERIOD

Pacific Palisades Village Gasoline Station – Site Proposed Cleanup Plan, Los Angeles, CA

PUBLIC COMMENT PERIOD: April 4, 2016 through May 6, 2016

WHAT IS BEING PROPOSED - The California Department of Toxic Substances Control (DTSC) invites the public to comment on the draft Response Plan to clean up contaminated groundwater at the Pacific Palisades Village Gasoline Station located at the intersection of Sunset Boulevard and Swarthmore Avenue in the Pacific Palisades neighborhood of Los Angeles (Site). The Site is located adjacent to an existing retail area commonly known as Pacific Palisades Village. The draft Response Plan describes summarizes environmental investigations that have been conducted and the proposed cleanup activities.

CALIFORNIA ENVIRONMENTAL QUALITY ACT – Mitigated Negative Declaration (MND)– The proposed project activities were evaluated in the Initial Study and MND that were prepared by the City of Los Angeles as part of the Pacific Palisades Village Redevelopment Project. The Initial Study and MND concluded that the proposed cleanup activities will not have a significant negative effect on the environment. This draft Response Plan is available for public review in the information repositories listed below. The 30-day public comment period on the draft Response Plan runs from April 4 through May 6, 2016.

WHERE DO I GET INFORMATION? The proposed draft Response Plan and other documents related to the Site are available at the following locations:
