DEPARTMENT OF TOXIC SUBSTANCES CONTROL (DTSC)

CALIFORNIA ENVIRONMENTAL PROTECTION AGENCY

SELBY SLAG REMEDIATION PROJECT

DRAFT REMEDIAL ACTION PLAN (RAP) AND DRAFT ENVIRONMENTAL IMPACT REPORT (EIR)
PUBLIC COMMENT PERIOD EXTENDED TO APRIL 12, 2018

Selby, California 94572

DTSC is extending the public comment period for the draft RAP and draft EIR for the Selby Slag Remediation Project through Thursday **April 12, 2018.**

Send comments to Jayantha Randeni, Project Manager, by mail to: DTSC, 700 Heinz Avenue, Berkeley, CA 94710, by email to Jayantha.Randeni@dtsc.ca.gov, or call (510) 540-3806.

You can also contact Asha Setty, Public Participation Specialist, at (510) 540-3910 or email Asha.Setty@dtsc.ca.gov.

To view the project documents online at DTSC's Envirostor website go to: http://www.envirostor.dtsc.ca.gov/public. Select the "Site/Facility Search link", enter "07330031" in the "Site Code" field, and click "Get Report". Select the "Report" link, then select "Community Involvement" to review the draft RAP and draft EIR.

DTSC encourages your participation and invites you to provide your comments on the draft project documents.
