Hello Panel Members,

Attached please find a copy of Health & Safety Code section 25178, which Vice Chair Vizzier would like to share with IRP members and the public for discussion purposes under Agenda Item 11, IRP Reporting Requirements, of the November 15, 2017 meeting.

Note that subsection (l) of the attached requires DTSC to post information on the status of several other aspects of the permit program that are not mentioned in this code section. They are:

**HSC section 25161(c)**
The department shall develop a data base that tracks all hazardous waste shipped in and out of state for handling, treatment, storage, disposal, or any combination thereof, which includes all of the following information:
1. The state or country receiving the waste.
2. Month and year of shipment.
3. Type of hazardous waste shipped.
4. The manner in which the hazardous waste was handled at its final destination, such as incineration, treatment, recycling, land disposal, or a combination thereof.

**HSC section 25197.1(b)(4)**
(4) Report to the Governor and the Legislature, in the biennial report specified in Section 25178, on the actions taken by the enforcement coordinator and the Hazardous Waste Strike Force to carry out this article and the results obtained from those actions in increasing the effectiveness of local and state hazardous waste enforcement activities.

**HSC section 25354(c)**
(c) The department shall include in the biennial report specified in Section 25178 an accounting of the moneys expended pursuant to this section. Once the appropriation made pursuant to subdivision (a) is fully expended, the director may file a report with the Legislature if it is in session or, if it is not in session, with the Committee on Rules of the Assembly and the Senate as to the moneys expended pursuant to this section. The Legislature may appropriate moneys from the state account, in addition to those moneys appropriated pursuant to subdivision (a), to the department for the purpose of taking corrective action pursuant to subdivision (a).

**HSC section 25334.7(a)**
(a) The department shall report to the Governor and the Legislature on the progress of the cleanup of the San Gabriel Valley groundwater sites in Los Angeles County, and on the progress of enforcement actions relating to those sites, in the biennial report specified in Section 25178. The report shall include, but not be limited to, all of the following:
(1) State expenditures and planned expenditures.
(2) Actions accomplished at the sites.
(3) Actions planned, including a time schedule for the accomplishment of planned actions.
(b) The report may be prepared in cooperation with other state and federal agencies involved with the sites, and shall include a summary of the activities of those additional agencies.

**HSC section 25356.5**
