Notice of Class 1 Permit Modification Request

GEM of Rancho Cordova Facility, 11855 White Rock Road, Rancho Cordova, CA 95742

GEM of Rancho Cordova, LLC (GEM) operates a facility at 11855 White Rock Road in unincorporated Sacramento County near Rancho Cordova that stores, consolidates, and transfers hazardous waste received from off-site generators. On August 30, 2016, GEM submitted a notification of a class 1 permit modification changing the list of persons authorized to act as emergency coordinator in case of a facility emergency. The changes were necessary due to organizational changes at the facility.

Any person may request that DTSC review any class 1 modification.

Project documents can be viewed at the information repository at the Rancho Cordova Library, 9845 Folsom Blvd, Sacramento, CA 95827, phone number (916) 264-2700. The full administrative record on the facility is available at the DTSC Regional Office, 8800 Cal Center Drive, Sacramento, CA 95826, (916) 255-3758.
