

# CALIFORNIA COMMERCIAL OFFSITE HAZARDOUS WASTE AND USED OIL FACILITIES

This listing includes all commercial hazardous waste and used oil facilities that accept offsite waste for a fee and perform storage, treatment, and/or disposal at the facility. This listing is periodically updated as new information is obtained. The listing can be found at [DTSC Envirostor Web Application](#).

## DISCLAIMER

Inclusion of facilities in this document is for information only and constitutes neither an endorsement of these facilities by DTSC nor a certification by DTSC that they are operated in compliance with all applicable laws and regulations. The information in this listing includes names, addresses and telephone numbers of hazardous waste facilities that may accept hazardous wastes from generators in California. Although an attempt has been made to provide the most accurate information available, DTSC assumes no responsibility for reliance upon this listing should there be any omission or error in any listing or description contained herein. Facility eligibility is subject to change without notice resulting from a variety of factors, including enforcement actions.
