### REQUEST FOR EXTENSION TO SUBMIT REVISED PROGRAM MODIFICATION PLAN

Dear Mr. Hellem:

This letter is in response to the Thermostat Recycling Corporation's letter dated March 28, 2017 to the Department of Toxic Substances Control (DTSC) requesting an extension to the deadline to submit a revised Program Modification Plan. As specified in DTSC's letter dated March 6, 2017 to you, the deadline for submission of a revised Program Modification Plan was April 5, 2017. Per your request, DTSC agrees to extend the deadline for submittal of a revised Program Modification Plan to on or before May 19, 2017. As discussed previously, as recently as our telephone conversation on March 24, 2017, DTSC invites the Thermostat Recycling Corporation to collaborate with DTSC and discuss elements being considered for inclusion in the revised Program Modification Plan prior to submitting the revised plan.

If you have any questions regarding this letter, or to make arrangements to discuss the content of the revised Program Modification Plan being prepared, please contact Ms. Renée Avila at (916) 322-4819 or [Renee.Avila@dtsc.ca.gov](mailto:Renee.Avila@dtsc.ca.gov).

Sincerely,

Mr. Rick Brausch, Chief  
Program and Policy Support Division  
Hazardous Waste Management Program
