

McClellan Air Force Base

First US EPA Award for Excellence in Reuse

- Awarded September 19, 2018
- July 2007 – First early transfer with privatized cleanup at Site C-6
- May 2015 – Finalized four privatized early transfers
- Success was a result of the Base Realignment and Closure Team, the Air Force, EPA, DTSC, Waterboard, Sacramento County, and McClellan Business Park
- McClellan Business Park now supports more than 17,000 jobs

McClellan Reuse
