

Website Accessibility Certification

DEPARTMENT OF TOXIC SUBSTANCES CONTROL

As required by Government Code section 11546.7, the undersigned certify that the Department of Toxic Substances Control (DTSC) is committed to making our website equally accessible to all visitors. DTSC has made a good faith effort to ensure our website is designed, developed, and maintained in compliance with the principles of accessibility outlined within California Government Code Sections 7405 and 11135, and the Web Content Accessibility Guidelines 2.0 published by the Web Accessibility Initiative of the World Wide Web Consortium at a minimum Level AA success criteria.

However, some content on DTSC's website such as documents created prior to these requirements, documents DTSC has a legal obligation to maintain, and materials provided to DTSC by third parties may not be fully compliant despite DTSC's diligent efforts to remediate such documents to the fullest accessibility. DTSC is taking reasonable and feasible actions to promptly identify and convert all such documents to compliant formats. Further, DTSC will continue to monitor the content of our website to ensure its compliance with accessibility laws. If you have difficulty accessing any material on DTSC's website, DTSC will work with you to provide the information in an accessible format. Please direct your requests to:
