November 14, 2019

Morning

- 1. Welcome**
- 2. Agenda Review and Panel Roll Call**

3. Presentation on Safer Consumer Products Program Updates
Staff will provide a brief update on DTSC’s implementation of the Safer Consumer Products (SCP) regulations to the Panel members.

4. Public Comment
Members of the public may offer comments to the Panel on agenda items.

5. Discussion of SCP’s Prioritization Retrospective and Springboard into the Future
The staff presentation will provide a view into the scientific processes of SCP’s prioritization efforts and will highlight the decision-making processes and policies that underlie the selection of Priority Products. The Panel will discuss issues surrounding transparency, policy concerns, and the scientific basis of the prioritization process.

Afternoon

6. Prioritization Retrospective and Springboard into the Future: Priority Product Profile
The Panel will discuss the goals and function of the Priority Product Profile and its evolution to accommodate different Product-Chemical Combinations.

7. Prioritization Retrospective and Springboard into the Future: Priority Product Selection
Panel members will provide guidance on the scientific and strategic considerations in Priority Product selection.

8. Prioritization Retrospective and Springboard into the Future: Priority Product Work Plan
The Panel will discuss the advantages and disadvantages of the DTSC’s non-formulaic Work Plan and how that compares to a more prescriptive work plan. The Panel will provide input on how the Work Plan can best help DTSC achieve its objectives.

9. Adjourn

November 15, 2019

1. Welcome, Opening Remarks, and Agenda Review
Panel Co-Chairs will briefly summarize outcomes from the previous day’s discussion and will outline the day’s agenda topics.

2. Public Comment
Members of the public may offer comments to the Panel on agenda items.

3. Alternatives Analysis Threshold
The Panel will advise on the issues associated with the implementation of an Alternatives Analysis Threshold (AAT).

4. Green Chemistry Research and Development Regulatory Response

The Panel will provide initial input to help DTSC develop a strategy for this Regulatory Response

5. Conclude and Adjourn

Meeting Participation and Comment

The order of items on the agenda is subject to change at the discretion of the GRSP Co-Chairs or the Safer Products and Workplaces Deputy Director. Materials related to the meeting will be posted as they are available on <https://dtsc.ca.gov/grsp/nov-meeting-14-15-2019>.

Members of the public and representatives of organizations are invited to attend and participate in the GRSP meeting on matters directly related to the work of the Panel. The time allotted for individual public comments may be limited, depending on the number of individuals wishing to speak. Speakers are not required to identify themselves publicly.

Meeting Accessibility, Special Accommodations and Hearing-Impaired Individuals

To ensure the public has equal access to all available services and information, the Department will provide disability related reasonable accommodations and/or translator/interpreter needs, as appropriate, in accordance with state and federal law. Please contact the staff person below as soon as possible, but no later than 10 business days prior to the scheduled event/meeting for assistance:
