Overview

- Exide filed for liquidation bankruptcy earlier this year
- Exide has proposed a bankruptcy Plan that would allow it to abandon the site
- If this site is abandoned, it will be orphaned with no functional owner capable of securing the site and continuing to clean it up
- Court will consider approving the Plan on October 15
- U.S. DOJ agreed in a settlement agreement with Exide not to oppose abandonment
- U.S. DOJ is taking public comment on the settlement agreement through October 6; public meeting can be requested
