### Draft Response Plan for

### La Habra (Euclid & Imperial)

251 & 351 West Imperial Highway, La Habra, CA 90631

**What is being proposed?** The California Department of Toxic Substances Control (DTSC) invites public comment on the draft Response Plan (RsP) for the La Habra (Euclid & Imperial) property located in La Habra (Site). The draft RsP summarizes the environmental evaluations conducted at the Site and outlines a proposal to safely address total petroleum hydrocarbons (TPHs) and volatile organic compounds (VOCs) present in soil vapor and groundwater below the Site.

**California Environmental Quality Act (CEQA):** As a Responsible Agency under CEQA, DTSC prepared an Addendum to the City of La Habra's Mitigated Negative Declaration (MND) for the Euclid & Imperial Townhomes Project. DTSC determined that the activities identified in the draft RsP will not have any new or significant adverse impacts on the environment.

**How do I participate?** DTSC encourages public participation in the decision-making process. We invite the public to review and comment on the draft RsP. Before approving the RsP, DTSC will review and respond in writing to all public comments. DTSC will send a Response-to-Comments document to anyone who submits comments and anyone who requests a copy. A copy of the final Response-to-Comments document will also be available online. Written comments must be postmarked or emailed by **June 15, 2022** and sent to: Ms. Rana Georges, DTSC Project Manager, 5796 Corporate Ave, Cypress, CA 90630 or via e-mail to [Rana.Georges@dtsc.ca.gov](mailto:Rana.Georges@dtsc.ca.gov).
