---

In this action, the Department of Toxic Substances Control adopts and amends regulations concerning hazardous waste transportation manifests to conform to the recently amended governing federal law so as to maintain federal authorization for California's Hazardous Waste Control Program under the Resource Conservation and Recovery Act (42 U.S.C. Section 6901 et seq.).

OAL approves this change without regulatory effect as meeting the requirements of California Code of Regulations, title 1, section 100.
