

NOTICE OF PUBLIC MEETING
Green Ribbon Science Panel Meeting
December 16, 2022 from 9:00 am – 12:00 pm PT
Online via Zoom

Please join the California Department of Toxic Substances Control (DTSC) as we convene an online meeting of the Green Ribbon Science Panel (GRSP or Panel), on December 16th, 2022 at 9:00 am PT.

BACKGROUND

The GRSP was established by AB 1879 (Feuer, Chapter 559, Statutes of 2008) to act as a resource for the implementation of California’s Green Chemistry Law. The GRSP provides scientific and technical advice to DTSC as we strive to build a meaningful, practical, and defensible Safer Consumer Products program. The GRSP’s mandate is to “[a]ssist the department in developing green chemistry and chemicals policy recommendations and implementation strategies and details, and ensure these recommendations are based on a strong scientific foundation.”

MEETING PURPOSE

This meeting provides a forum for the GRSP to discuss new methodologies, tools, and approaches that SCP has been adopting in order to improve its work and solidify its decision-making.

MEETING DETAILS

The public is invited to attend and provide comments to the GRSP on agenda items under discussion by the Panel. All other non-agenda related comments on the Safer Consumer Products program may be submitted directly to DTSC at SaferConsumerProducts@dtsc.ca.gov. When available, meeting materials can be found at DTSC’s [GRSP Meetings](#) web page. If you have any questions about the meeting or the agenda, please contact Christopher Leonetti at christopher.leonetti@dtsc.ca.gov or 916-445-6011.

WEBINAR INFORMATION

The Zoom meeting can be accessed through a computer browser or the telephone.

1. Through your computer browser:
