

# DTSC PUBLIC NOTICE

**Department of Toxic Substances Control** – Our mission is to protect California's people, communities, and environment from toxic substances, to enhance economic vitality by restoring contaminated land, and to compel manufacturers to make safer consumer products.

## EMERGENCY PERMIT

### NAVAL AIR FACILITY (NAF), EL CENTRO

1065 3<sup>RD</sup> STREET, BUILDING 139, NAVAL AIR FACILITY,  
EL CENTRO, CALIFORNIA 92273

**WHAT IS BEING PROPOSED?** The California Department of Toxic Substances Control (DTSC) has issued an Emergency Permit to the Naval Air Facility (NAF) El Centro for the treatment of hazardous waste. The treatment of hazardous waste involves the open detonation of twelve AN-M38A2 aircraft signals, three M918 TP 40 mm, one M18 smoke grenade, twenty-eight 0.50 caliber military ammunition, forty-three 7.62 mm military ammunition, eight 5.56 mm military ammunition, six 0.45 caliber ammunition, and three training howitzer shells. The U.S. Navy Explosive Ordnance Disposal Mobile Unit 3 (EOD) personnel will conduct this treatment. The items are in a safe holding area at Naval Base Coronado and will be transported to the established EOD site on the NAF El Centro Bombing range.

The items have been determined to require treatment by detonation. No hazardous waste is expected to be generated from the disposal by detonation. However, if required, any hazardous waste generated must be moved to an authorized unit for storage and shipped in accordance with the applicable regulatory and statutory requirements. DTSC has determined that this item poses an imminent and substantial endangerment to human health and the environment and therefore an emergency permit should be issued. This Emergency Permit is effective from January 5, 2023 through March 31, 2023. The Emergency Permit includes measures to minimize any adverse impact to the community and the environment.

**CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):** DTSC has determined that the project is exempt from the requirements of CEQA and filed a Notice of Exemption (NOE) with the State Clearinghouse.

Hearing impaired individuals may use the California Relay Service at 711 or 800-735-2929 TTY/VCO/HCO to voice.
