Re: Request for Extension – OAL File No. 2022-0930-02S

Dear Ms. Williams:

I received your request for a 90-day extension pursuant to Government Code section 11349.4, subdivision (a), in connection with the rulemaking file referenced above. The disapproval of OAL File No. 2022-0930-02S was issued on November 21, 2022, resulting in DTSC's resubmittal being due by March 21, 2023.

I find that the basis of the Department's request for an extension of time to resubmit the above rulemaking action to OAL constitutes good cause, and hereby grant the Department an additional 90-day extension period to resubmit the above rulemaking action to OAL. The 90-day extension period will begin from the resubmittal due date of March 21, 2023. Thus, this file must be resubmitted to OAL by the close of business on June 19, 2023.

Sincerely,

Kenneth J. Pogue  
Director
