

ECRG Round 2 Application Data*

Updated October 17, 2023

Our heartfelt thanks to every single tribe, nonprofit, municipality and government agency who took the time to submit a Round 2 Equitable Community Revitalization Grant application! Office of Brownfields has begun the application review and scoring process and we hope to welcome our Round 2 ECRGrantee cohort in winter 2024.

This map displays the number of sites in each county.

Total Sites
74

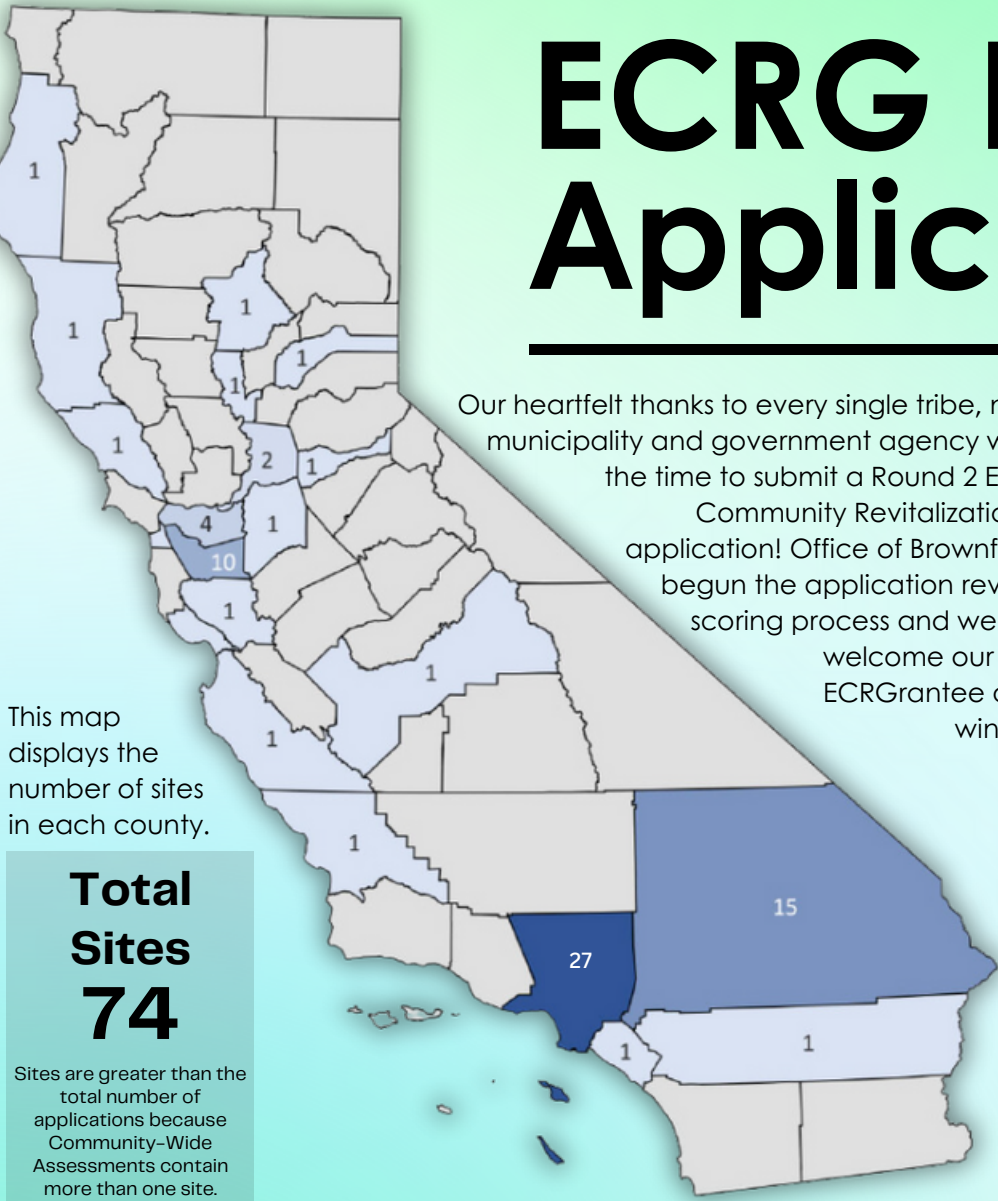

Sites are greater than the total number of applications because Community-Wide Assessments contain more than one site.

Cities
32

Round 2 applicant sites are located in 32 different cities.

Counties
21

Round 2 applicant sites are located in 21 of California's 58 counties.

Amount Requested
~\$90.2M

~\$3.1M Community-wide Assessment
~\$33.2M Investigation
~\$53.9M Cleanup

Applications Received
48

9 Community-wide Assessment
25 Investigation
14 Cleanup

26 Public Entities
7 Community-wide Assessment ~ \$2.4M
13 Investigation ~ \$14.9M
6 Cleanup ~ \$35.1M
Total Requested ~ \$52.4M

20 Non-Profits
2 Community-wide Assessment ~ \$0.7M
11 Investigation ~ \$11.6M
7 Cleanup ~ \$13.8M
Total Requested ~ \$26.1M

2 Tribes
1 Investigation ~ \$6.7M
1 Cleanup ~ \$5M
Total Requested ~ \$11.7M

Site CES Score

62% of sites have a CalEnviroScreen (CES) score 75% or over.

County	Alameda	Amador	Butte	Contra Costa	Fresno	Humboldt	Los Angeles	Mendocino	Nevada	Orange	Riverside	Sacramento	San Bernardino	San Francisco	San Joaquin	San Luis Obispo	Santa Clara	Santa Cruz	Sonoma	Sutter	
Sites	10	1	1	4	1	1	27	1	1	1	1	2	15	1	1	1	1	1	1	1	1

*Data is based on applications received by October 13, 2023 at 11:59PM PT. Some applications may be ineligible for funding. Amount requested does not reflect amount to be awarded. Results of application review expected to be released in a few months.
